

Memorial Day-May 30

★ HONORING THOSE HEROIC MEN WHO DIED SO THAT AMERICA MIGHT LIVE ★

Village Mayor Raymond Toft, third from left, presented awards to firemen with more than 25 years of service on the Antioch Fire Department. From left are Fire Chief Charles Maplethorpe; J. Irving Walsh; Mayor Toft; James Maplethorpe; Edward Frazier; Vern Barnstable; Laurel Van Patten, engineer, and Edgar Simonsen, honorary chief. The group represents 210 years of service with the volunteer department.

Antioch Senior Class Will Graduate June 6

Antioch High School will hold its 1971 commencement exercises at 4 p.m. Sunday, June 6, in the new gymnasium.

Student speakers will be Robert Lee Gross, president of the Student Council, whose subject is

"Championship Living." Michael Joseph O'Neill, president of the senior class, will discuss "We've Only Just Begun."

Both speakers will be introduced by Warren P. Polley, assistant superintendent of Antioch

High School.

Music will be provided by the high school band directed by Joseph Rush, and the A-Cappella Choir directed by Ralph Brooke.

Valedictorian and salutatorian awards will be presented by Robert C. Denman, secretary of the board of education.

Supt. Albert Dittman will present the class. William E. Hook, president of the board of education, will distribute the diplomas.

The Girls' Athletic Association Color Guard will present the colors.

Baccalaureate services will be conducted at 8 p.m. Saturday, June 5 in the gymnasium.

The Rev. Alfred Henderson, pastor of St. Peter's Church, will be the speaker. He will be introduced by Polley.

The invocation and benediction will be by the Rev. Robert Tindle of the Lake Land Baptist Church of Lake Villa.

The prayer will be offered by Bryan Sorensen and the scripture by Dawn Ellis.

(Continued on page three)

(Continued on page three)

Grass Lake Will Graduate 36 June 3

Grass Lake School will hold its graduation exercises on Thursday, June 3, beginning at 8 p.m. The Rev. Darrell Hendrickson, pastor of the Calvary Temple Church, Lake Villa, will give the invocation and benediction.

Thirty-six students will receive diplomas.

William Brook will be the keynote speaker for the evening. Brook, a lifelong resident of Antioch, has been active in education and business in the area for many years.

He is president of the State Bank of Antioch and also president of the Antioch High School Board of Education.

Brook recently received the annual VIP award for service and recognition within the Antioch community.

Brook attended the Antioch Grade School, Antioch High School, and received his bachelor degree from Beloit College.

Graduates of Grass Lake Grade School:

Antioch To Observe Memorial Day Monday

Antioch will honor its men and women who have forfeited their lives in the nation's wars Monday in the observance of Memorial Day.

The event will be highlighted by a parade on Main Street with patriotic organizations, Scouts, firemen and other civic groups participating.

The participants will gather at 10 a.m. at the high school parking lot. The marchers will step off at 10:30 a.m. and continue down Main street to Orchard and Broadway where ceremonies will be held.

Participating will be the Antioch Grade School Band, Antioch High School Color Guard, Veterans of Foreign Wars and American Legion Color Guards, the Antioch Fire Department, Boy and Girl Scouts, and other units. John W. Horan will be parade marshal.

Village Mayor Raymond Toft will ride in the parade as will other township and village officials.

Capt. Thomas J. O'Connor of the Great Lakes Naval Base will be the speaker. Born in St. Joseph, Mo., he graduated from Rockhurst High School in June 1943 and attended Rockhurst Junior College for one year.

Capt. O'Connor entered the U.S. Naval Academy, Annapolis, Md., in June 1944. He earned a bachelor of Science degree and graduated in July 1947. In June 1959, he was awarded a Master of Business Administration degree by

Harvard University Graduate School of Business Administration and in June 1965 he received a Doctor of Philosophy degree from Stanford University.

Capt. O'Connor was commissioned an Ensign in the Supply Corps in June 1947. He attended

Navy Supply Corps School, Bayonne, N. J., completing his technical training in April 1948.

Since then, Capt. O'Connor has served in the radar picket destroyer USS Perkins (DDR-877) and as Supply Officer of the

School Board Orders Cutbacks In Program

The Antioch High School Board has ordered cutbacks in the school program to offset deficit financing at its last meeting.

The range of reductions in the initial budget cutbacks for 1971-72 will be about \$70,000 to \$75,000, it was estimated.

Some of the cutbacks affect the following programs:

Make summer music camp self-supporting; football accident insurance to be assumed by the parents; assign the audio-visual coordinator to 1½ periods of audio-visual supervision (eliminate the audio-visual increment and reduce the extended contract to one week); discontinue public relations social affairs consisting of banquets, dinners, luncheons and in school refreshments.

Do not replace the retiring science teacher; cut Spanish to a two year program for the 1971-72 with Spanish III and IV offered on an individual study basis; discontinue all student field trips; discontinue Guidance Department social worker service; eliminate expenditures for all conventions.

Place all teachers in full classroom instructional loads to the extent possible and employ lay people for certain supervisory capacities; reduce the English Department by one teacher; do not hire substitute teachers for non-credit subjects such as band and vocal.

Eliminate extended contracts to the librarian, assistant librarian

Eve January and Robert Gross are winners of the coveted Antioch Community High School outstanding girl and boy awards granted each year to seniors because of outstanding achievement in leadership, scholarship and citizenship.

Antioch High Picks Outstanding Students

Eve January and Chip Gross were chosen the outstanding girl and boy of the 1971 Antioch High School senior class at the annual honors program.

The Alice E. Smith scholarship was presented to Jim Gaa; the Antioch PTA scholarship to Sue Severson and Carol Boreen; with Kathy Wurster as on alternate; the Donna Costoff Nursing Scholarship, Carolyn Makridakis; and Janet Lemcke and Elaine Wells will attend the spring Environmental Responsibility Workshop at Western Illinois University, Macomb, an award of the Lions Club.

Robert Cichon and Edwin Kruppo were chosen for the Suraya Brook Scholarship.

Stewart, Debra Toft, Elaine Wells and Kathleen Wurster.

Eve January won the golden jubilee scholarship.

Selected for the Edmund J. James Scholarship Program at the University of Illinois are Elaine Wells, Kathleen Chase, James Moore, and Patricia Guzowski.

Robert Cichon and Edwin Kruppo were chosen for the Suraya Brook Scholarship.

Brook Scholarship.

Eve January was the recipient of the DAR award.

Vera Bacwyn, Janet Polsgrove and Kathy Wurster were chosen for the scholarship by the Chicago Society of Women Engineers, and the Vocational Industrial Scholarship went to Tom Mueller.

Robert Beevar was chosen for

Downtown Area To Be Beautified

The Antioch Chamber of Commerce announced a plan for the beautification of the retail shopping areas of Antioch.

Aided by the Service Clubs, the Chamber of Commerce has arranged for the purchase of Norway Emerald Queen maple trees that will be planted in the Main and Lake Street shopping areas and the shopping center on Orchard Street.

These maple trees are the same variety that are planted on State Street in Chicago.

They are exceptionally sturdy and have the advantage of small root clusters that preclude damage and clogging of sewer systems and underground utilities.

Plans include the immediate planting of at least 40 maple trees and other community beautification designs for not only the retail areas but the commercial and residential as well.

The complete cooperation of the service clubs and the Chamber of Commerce is the first step forward in this "pride of community" movement.

We're Closed On Memorial Day

The offices of The Antioch News and the A & B Printing Co. will be closed Monday, May 31, in observance of Memorial Day.

Advertisers for The Antioch News are urged to get their copy to the offices as soon as possible to make the June 3 edition.

The offices will open as usual on Tuesday.

Three ACHS Conference Champs To Be Honored

Three Antioch High School conference championship teams will be honored Wednesday, June 2, at the annual banquet sponsored by the State Bank of Antioch. This year's event will be at Lorenz's Smart Country House on Rte. 173.

Three teams to be honored are the football, basketball and track teams.

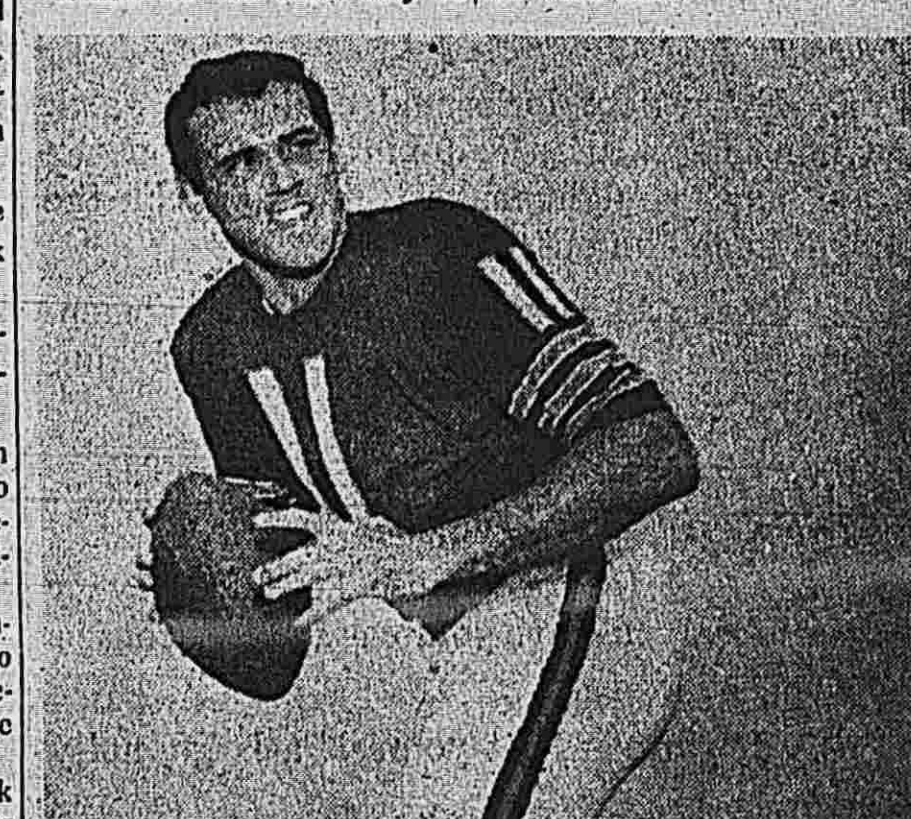

The latter just won the conference title in competition Saturday.

Speaker for this year's program will be Jack Concannon, Chicago Bears Quarterback who will begin his eighth year in pro football in September.

He was traded from the Philadelphia Eagles to the Chicago Bears in 1967. He was the second round draft choice of the Eagles.

Since joining the Bears, Jack has completed 51 per cent of his passes, totaling more than 5,000

yards and 31 touchdowns. Players, coaches and cheerleaders will be guests of the bank. Tickets for the event may be

The Minimum Wage

Considerable pressure is being made on Congress to boost the minimum wage right now to \$2 an hour rather than wait until 1973 as proposed in a House bill.

The proponents contend that the increase would give the economy a lift by creating additional spending power. This is fallacious reasoning.

Minimum-wage jobs are given to those who lack the experience or know-how to step into higher wage brackets. They are the first step in the ladder.

By removing the bottom rung, not only will many of these jobs be eliminated, but all wages will be pushed up so that the inflationary price increases soon would blunt any benefits from the increase.

When you add these factors to the increased difficulty that employers will have with lower-wage competitors overseas, it seems likely that a higher minimum wage will do more harm than good to those it is intended to benefit.

Preventive Crime

While April showers bring May flowers and the promise of fun in the sun, spring's arrival also heralds another truism . . . as the temperature goes up, crime will increase in the area.

"People don't realize it, but as the weather warms, it becomes the burglar's most valuable tool," says Police Chief Jack Davis. "For example, about 20 per cent of all breaking and entering crimes occur simply when people leave their doors unlocked."

But short of actual electronic installations, which are the best burglar deterrents, there are a number of steps individuals can take to provide some measure of safeguard for their homes.

1. If you're moving into a new home, don't give your keys to strange contractors or servicemen. Keys are easily duplicated for later entry.
2. Valuables should be kept in a safe deposit box, and you should record them along with the serial numbers where possible.
3. Never leave your garage door open if you leave your home — even for a short while. An open garage door is an open invitation to burglars.
4. If you leave your house at night, leave a light or lights on. (This can be accomplished with automatic time switches.)
5. If you're going away on vacation, inform both your police department and your neighbors.
6. Cancel newspapers, milk, and mail deliveries. Accumulated deliveries are a dead give away that no one is home.
7. Preserve normal appearances of your home when you're away. Don't pull all the shades and blinds, and make sure someone keeps your lawn cut.
8. Extra door locks and chains are good. They don't necessarily keep burglars out, but the noise a burglar might make trying to break the lock will keep him out.
8. If you have solid doors, install "peep-through sights" so you can see who is knocking at your door.
10. Check references of people you're about to employ as maids or domestic help.
11. Separate your house keys from your car keys when you leave your car for servicing or in parking lots.
12. If you can, get yourself a large, noisy pet.
13. Be sure windows have strong locks.

Your Congressman Reports....

Automobile insurance companies soon may be experiencing the heavy hand of Federal legislation as well as more coercive laws from the 50 State Legislatures.

This combined federal and state interest is in support of so-called "no fault" insurance designed to benefit all motorists who sustain personal damages from automobile accidents.

The Department of Transportation reports that motorists who have suffered less than \$500 in damages collect an average of more than four times the amount of their losses. However, those suffering substantial injuries from \$10,000 to \$25,000 or more, collect an average of only 15 to 50 percent of their claims. Indeed, less than one-half of the people involved in automobile accidents collect any money from liability insurance. In addition, lawyers' fees average 25 per cent of the amounts recovered.

Senators Philip Hart of Michigan and Warren Magnuson of Washington have sponsored legislation to require each state to

establish a system of "no fault" automobile insurance. This new coverage would enable victims of automobile accidents to recover their "net economic loss" within 30 days after proof of such loss is filed with the insurer. Payment would be made by the victim's own insurance company without reference to who caused the accident. Ultimate adjustment of claims as between insurance companies would be determined later without the victim having to wait interminably for his money. In addition to the speedy recoveries available under the proposed "no fault" insurance, claimants would be permitted to assert damage claims based on negligence in excess of "net economic loss" to be resolved in conventional court proceedings.

The State of Massachusetts already has established a "no fault" insurance program which became effective January 1, 1971. After the first three months of operation, bodily injury claims have been reduced by 36 percent — indicating that automobile insurance rates soon may be reduced — if this trend continues.

Another problem sought to be cured by "no fault" insurance is that of court congestion. More than 200,000 cases a year are added to the nation's existing court load and a total of more than 17 percent of the time of our nation's judges is consumed in automobile accident claim cases. Accordingly, a shift to a "no fault" insurance system could lead to a more expeditious and improved administration of justice and a reduction of expenses for court and juries.

A principal source of opposition has been expressed by those trial lawyers who reap huge fees on the contingent accident claims. It is estimated that about 56 cents out of every dollar spent on liability insurance is expended on insurance company overhead and lawyer's fees. A paltry 14 cents out of every insurance dollar goes for medical costs and lost wages — which are the real damages which the victim of an accident

guided missile cruiser USS Providence (CLG-6). He served as an instructor at the U.S. Naval Academy and at the Naval Station, San Juan, Puerto Rico; in the General Stores Supply Office, Philadelphia, Pa.; Long Beach Naval Shipyard, Long Beach, Calif.; and the Naval Supply Systems Command, Washington, D.C.

Capt. O'Connor is currently serving as Executive Officer of the Navy Electronics Supply Office, Great Lakes. The Electronics Supply Office is responsible for management of the Navy's half-billion dollar inventory of electronic repair parts and assemblies. This material is used by the fleet, by 1200 Navy and Marine Corps shore activities in the U.S.A. and abroad, and by foreign nations participating in International Logistics Programs.

Capt. O'Connor's mother, Mrs. Mary C. O'Connor, lives at 5516 Granada Road, Mission, Kans. His wife is the former Miss Allee W. O'Laughlin of White Plains, N. Y.

The O'Connors have nine children. Carol, 20, is a student at Pratt Institute in Brooklyn, N.Y.; Thomas, 18, will graduate from North Chicago Community High School in June and will enter the Naval Academy under a Congressional appointment; Patrick, 16, also attends North Chicago Community High School; Kathleen, 14, and Mary Alice, 12, attend Neal Junior High School; Lawrence, 10, and Diane, 8, attend St. Mary's School. Stephen, 4, and Daniel, 3, complete the O'Connor family. At present they live in Quarters 71, Forrestal Village, Great Lakes, Ill.

The Rev. T. A. Bessette, pastor of St. Ignatius Episcopal Church, will give the invocation and benediction.

MONDAY WOES

There's always talk from the working folk about Mondays and this week was no exception. Quite a few Antioch people were late for work or just barely made it breathlessly because the electricity was off in town Sunday night. Everybody's electric clock was about an hour off.

HAPPY ANNIVERSARY

Janet and Bill Brook will be

celebrating their 30th Anniversary this weekend on May 30th.

ON THE MEND

We're glad to hear that John Miller is making progress with his broken knee cap. Nine weeks is a long time to be shut in.

Branden Schaefer has returned from the hospital and is recuperating at home.

Gert Ipsen is convalescing at home since her return from the hospital.

WEEKEND TRIP

Bruce and Lenora Price spent the weekend in the Galva area visiting Bruce's sister and family, the Roger Manns. They also visited the Amann colonies.

HAPPY BIRTHDAY

Sue Schaefer recently celebrated her 21st birthday.

GRADUATIONS AND GRADUATION DINNERS

This week and next will be very active for all the up and coming graduates of the grade and high schools of the area. Congratulations to all of the graduates.

P.M. & L. TRYOUTS

Thursday and Friday at the P.M. & L. Theatre tryouts will be held for their summer musical, Fantasticks. The time is 8 p.m. Anyone interested be sure to be there.

BASEBALL OUTING

Antioch Chamber of Commerce is planning their annual Baseball Outing for Wednesday, June 30th. Anyone interested may make reservations before June 16. The

Donations To Rescue Squad

Recent donors to the Antioch Elons Club Rescue Squad Fund include:

Sheriff's Office Announces Crime Preventive Program

Sheriff Orville "Pat" Clavey has announced today that a crime preventive program will be implemented by the Sheriff's Department.

The innovation which the Department is undertaking is called Operation Identification in which Lake County residents from unincorporated areas may participate.

While this program has been adopted for unincorporated areas, it does not mean that residents from unincorporated cities and villages cannot take advantage of it.

Similar crime preventive programs of Operation Identification are now and have been implemented for years in many communities in California. Burglary and theft in these communities has been reduced to a minimum, the Sheriff said.

Any person who wishes to participate in the program will receive one or more decals which he will be asked to place inside his house on a window pane or glass door and/or any other visible place.

The decal states: "We have joined Operation Identification—All items of value on these premises have been marked for ready identification by the Law Enforcement Agencies." However, the decals will be issued only after the items of value in the house have been etched with an electrical pencil by the owner.

The owner's driver's license number will be imprinted on items of value which the owner wishes to be marked for identification. The driver's license number has been selected because it is more readily identifiable by Law Enforcement Officers.

Each marked item of value

will be recorded and then placed on file in the office.

The collected data as to the description of marked items will be confidential and will be used only for references and investigative purposes. It will be easy to identify them by the driver's license number and return them to the rightful owner.

On many occasions when items are recovered, more than one person may claim to be the owner of items of value. Sometimes, no one claims to be the owner of recovered items because no one can identify them to the satisfaction of police, Chief Deputy Jerome P. Schuetz said.

The taxpayers of Lake County

do not have to pay for the expenses of printing decals and other items needed to implement the program.

Expenses are underwritten by the State Bank of Antioch. William Brooks, president of the bank, is the sponsor of the crime prevention program. The Sheriff's department is grateful for the bank's interest and cooperation.

The program Operation Identification is a further indication that the Department is eager to participate in any program as long as there is a possibility that it will have a deterrent value in the commission of crime, Sheriff Clavey said.

Cub Scout Pack 192 Holds Pinewood Derby

Seeing that April was Pinewood Derby month for Cub Scout Pack 192, it was decided that the meeting would be held on two nights. On Monday evening, April 26, at the regular Webelos Den meeting, the Webelos held their Pinewood Derby. Before the races were held, the business at hand had to be taken care of.

Awards for citizenship went to Tom Koenig, Kevin Shepard and Larry Belden. Naturalist awards went to Tom Koenig, Darren O'Brien and Daniel O'Brien. Sportsman went to Tom Koenig and Mike Polsgrove. Athlete went to Steve Haley, Larry Hageman, Ken Nevitt, Mike Hogan, Darren O'Brien and Daniel O'Brien. Geologist went to Darren O'Brien and Daniel O'Brien. Engineer awards went to Donald Elder. Donald Elder also received the showman award and David Aschbacher received the Traveler.

Craig Rigby received the Arrow of Light and became a Tenderfoot. Finally the races began with the categories—speed and beauty with 1st, 2nd and 3rd place trophies in each category. The boys did an outstanding job and the winners were: Speed: David Aschbacher, 1st; David Velling, 2nd; and Larry Hageman, 3rd. Beauty: Adolph Kirby, 1st; Michael Hogan, 2nd and Darren Houghton, 3rd.

The following evening, April 27, at the regular pack meeting, the remaining Dens raced, but first the awards were presented by Cubmaster Ray Atwood. The Bobcat pin was awarded to Ronald Langer who was accepted into the pack. Theodore Bessette received a Wolf badge and gold arrow. Ken Golonka and David Berchold each received two silver arrows. Bear badges went to Craig Lytle and Bill Atwood. David Berchold and John Aschbacher became Denmers and Kevin Murphy became Assistant Denner.

Bobby Kelley went into the Webelos Den. There were three birthdays this month: Timothy Plett, Michael O'Brien and Daniel Larsen. The races began again with two categories: beauty and speed—with 1st, 2nd, and 3rd place in each. Again all the boys did a marvelous job and the final winners were: Speed: Ken Rigby first; Rob Crowell 2nd and Ronald Langer third. Beauty: Scott Georgeson first, David Berchold second and Ronnie Nauman third.

The committee wishes at this time to thank Mr. Ed Crowell and his crew of helpers who did such a good job of setting up and running the Pinewood Derby. Thanks again for a job well done.

Flag ceremonies were handled by Den 1 and Hospital favors for April were sent to Lake County hospital by Den 2.

At the March 23 pack meeting the following boys received these

awards: Wolf badges went to Tim Plett, Rob Crowell, David Berchold and Dennis Flashner. Gold arrows under Wolf went to David Berchold and Bobby Delley. Silver arrows under Bear went to Bobby Delley. Three boys became Denmers: Tim Plett, Richard Becker and Gregory Haveman. Four boys became assistant Denmers: John Aschbacher, Craig Lytle, Bobby Nauman and Bret Eastman.

Three boys went into the Webelos Den: Jerome Kennedy, David Velling and Larry Haveman.

Webelos awards were: Mike Polsgrove, Athlete; Jeff Smouse, athlete and geologist; Steve Sanders, craftsman, athlete and citizenship; Adolph Kirby, engineer, outdoorsman, artist and athlete; Tom Connelly, athlete and aquanaut; Duncan Hooker, artist and geologist; Mike Connors, sportsman; Darren Houghton, artist and craftsman; Paul Pape, citizenship and scholar; and Gary Hill, sportsman.

Frank Johnson received the Arrow of Light and became a Tenderfoot Scout.

Den 6 had the flag ceremonies, Den 2 served refreshments, Den 4 led the pack in songs and Den 5 put on a hand puppet Easter Show with the Peanuts Gang. Hospital favors for March were made by Den 6 and delivered to Conell Hospital.

Patrick Hambl was the only birthday this month and received his Bear Book.

It wasn't so long ago that a skirt "halfway to the knees" meant from the ankles.

Utility Announces Building Program

North Shore Gas Company announced an all-time record high construction budget of \$9.3 million for 1971 and noted that several projects in the program have already started.

Lorence A. Laning, North Shore's Manager of Operations, said this year's program will include installation of approximately 150,000 feet of underground gas main and 4,750 individual service lines in the utility's gas distribution system during the year.

Two projects totaling 31,500 feet of main installation are currently under way in Waukegan. Several other projects are scheduled to begin next month.

North Shore Gas operates about 1,500 miles of gas mains which supply natural gas to 80,000 residential, commercial and industrial customers in 46 communities. North Shore's 275-square-mile area extends from Winnetka on the south to the Wisconsin line on the north, and west through Grayslake in Lake County.

New Schedule Announced For St. Peter's

The Rev. Alfred Henderson, pastor of St. Peter's Church, has announced the summer mass schedule, starting Saturday, May 29.

There will be two masses offered on Saturday at 5:30 and 7:30 p.m.

Sunday masses are at 6:30 a.m., 8 a.m., 9:30 a.m., 10:45 a.m. and 12 noon.

Take A Break While Driving Memorial Day

The defensive driver will take two important steps before he leaves on the Memorial Day week-end or annual family vacation. He will first check his driving habits to make sure that he knows traffic laws, and just as important, he will have his car

inspected for mechanical defects to insure his own and his family's protection, Executive Director Jerry Klebe said today. He emphasized that it is not enough to obey all of the traffic rules and plan his trip to include a "break" every two hours, he

must also make certain that his car is in good condition before leaving on that trip.

The defensive driver will make doubly sure that his brakes, lights, turn signals, tires, exhaust system and muffler as well as windshield wipers and horn are all in good working condition before loading his most precious possession, his family, into the family car, Director Klebe stated today.

He also warned that overloading the family car is a dangerous practice. A heavily loaded car demands more driving caution. Acceleration is slower, stopping distance longer, sway on curves greater. With a heavily loaded car the defensive driver will allow plenty of room for passing and stopping. It is not enough to make sure that all safety features are in good working order, the defensive driver will make certain that his car is loaded in such a manner that he can see, steer and stop, Klebe emphasized.

Neglect combined with continuous use on trips and driving at higher speeds for longer periods takes a toll in both driver and vehicle efficiency. Director Klebe of the Lake County Safety Commission gives this advice for a safe and enjoyable trip: "Check Your Car — Check Your Driving — Check Accidents!"

Prune Lilacs To Promote Flowering

You'll get more and better lilac blooms next year if you prune this year's flowers promptly to prevent seed development.

Once lilac blooms have passed their prime, both seed and shoots that will produce next year's flowers begin to develop. Prompt cutting of the developing seed will help the plant produce a more adequate growth of new shoots for next year's blossoms, says Ray T. Nicholas, Lake County Extension adviser.

He also points out that French and Persian lilacs become overcrowded and overgrown unless you prune out occasional stems each year. Concentrate on the larger stems that are 4 to 5 years old, cutting them off at ground level. It's also a good idea to thin out the younger stems so that each has plenty of growing room and sunlight.

Thumb-sized stems can be just as productive as the larger stems if you give them room to grow. A few minutes of pruning each year can produce an attractive plant around six feet high. And removing the older wood also helps get rid of the plant borers, Nicholas points out.

Detailed instructions on pruning are found in Circular 1033, "Pruning Evergreens and Deciduous Trees and Shrubs." Single Copies are available at the Lake County Extension Office, Lake County Fairgrounds, Grayslake, Illinois 60030.

1961 Class Plans August 7 Reunion

The 1961 Antioch High School class will hold its 10th class reunion Aug. 7 in Bristol Oaks Country Club.

Anyone having information of the whereabouts of Daniel Conrad, Georgia Fox, Brian Hay, Sharon McClean, Sharon Makina, Pat Papples, Richard Porter, Marie Prinsing, Anita Royer, Wayne Barker, David Jamison, Larry Murray, Nancy Sawyer, Glen Siedschlag, and Betty Skogstad is asked to get in touch with the Reunion Commission.

Information can be mailed to Mrs. Diane Poulter, RFD 5, Box 470, Antioch or call 395-1114.

Driver Training Spots Open

There are still a few openings available for summer driver education at Antioch High School.

The entire three phase program is being offered during the summer months.

Classes will start on Thursday, June 17 and will be completed by July 28.

The program is open to all youth in the Antioch High School District between the ages of 15½ and 21. Teen-agers can be licensed at age 16 if they have successfully completed a recognized course in driver education.

Without the driver education course a young person would have to wait until their 18th birthday to obtain a driver's license.

Any student interested is asked to get in touch with Ward Lear at the high school before June 4. The only cost is the permit fee to the state and class materials.

Antioch Senior...

(Continued from page one)

A solo will be sung by Jean Oelrich.

Brooke will direct the A-Cappella Choir.

Marianne Pleviak will be the pianist.

Supt. Dittman also will speak.

Cotillion Raises \$1,200 For Antioch Mental Health

A \$1,200 check was turned over to the Antioch Mental Health Association at the luncheon May 24 when the progress and achievement reports were presented.

The money was raised in the cotillion of which Mrs. Kay Costoff and Mrs. Phyllis Bucar served as co-chairmen. Accepting the check was Mrs. Raymond Lorenz, association president.

Donations of \$3,000 were voted the Lamb's Farm, Libertyville; Lake County Mental Health Clinic, \$7,000; and \$4,000 to the Grove school for Retarded Children, Lake Forest.

Donations of clothing and

household items are always needed at the Gift Shop and will be picked up by calling 395-0552.

Health association officials expressed their appreciation to all residents who contributed their support for all projects sponsored during the past year.

PN&L To Hold Musical Tryouts

Tryouts for the summer musical sponsored by the PN&L Theatre, will be held Thursday and Friday, May 27 and 28 at the theatre on Main Street. The group will present "Fantasticks."

Antioch Grade School Will Graduate 159

Antioch Grade School District 34 will graduate 159 students at exercises, starting at 8 p.m., June 8, in the Antioch Upper Grade School.

Thursday, May 27, 1971 THE ANTIOCH NEWS—4

Health Assn. Votes CLC Scholarship

The executive board of the Lake County Health Improvement Association voted a cash grant to the College of Lake County, at a special meeting held on May 20th.

The express purpose of the grant is the establishment of scholarships in the health care field, to enable persons of limited means to enter this vital program.

Tom Darrah, of the College of Lake County will provide the necessary details to those interested.

Also drawn up was the Lake County H.I.A. customized Blue Cross Hospital Plan for people over age 65.

Under this plan Lake County H.I.A. membership offers a program to help pay for what Medicare does not cover; namely, the first \$60 of charges per Medicare benefit period; \$15 per day of hospital charges for benefits during a hospital stay from the 61st through the 90th day. Blue Cross then provides comprehensive benefits (when not covered under Medicare) between the 91st and 365th day of a necessary hospital stay.

Give rioters an inch and they want to be rulers.

Ruth Hitch

STATE PRESIDENT TO BE GUEST OF LAKE COUNTY

"8 & 40"

By Del Jahneke

Guest of honor at the June 2nd dinner party meeting of the Lake County Salon No. 191, Illinois Eight and Forty, honor subsidiary of the American Legion Auxiliary, will be their Departmental Chapeau, (State President) Miss Ruth Hitch of White Hall, Illinois.

The dinner will be held at the Northern Chalet Restaurant in Libertyville, with cocktails at 6:30 p.m., and dinner served at 7 p.m. The paid reservations must reach Mrs. William Franzen of Libertyville by May 28.

Miss Hitch joined the White Hall American Legion Auxiliary as a Junior member in 1940. She has served in all major offices in her unit, and when the Green-Calhoun Salon No. 603 was organized in 1954, Miss Hitch was elected Le Petite Chapeau. She has moved steadily through the five state offices and was unanimously elected Department Chapeau in August 1970. She will be bringing a timely message of state and national Eight and Forty activities.

At the meeting which will be held after the dinner, annual reports will be given, and the election of Salon officers will take place. Members are requested to wear white, if possible. Mrs. Frank Waggett, Highland Park, Le Chapeau, will conduct the session. An excellent zither player will be the featured entertainment.

Hostesses are Mrs. William Franzen, Mrs. George Fluger, Vernon Unit; Mrs. A. V. Wegner and Mrs. Norman Samkus, both from Lake Zurich.

Mrs. Ray Rahmann, Mrs. Edward Jahneke and Mrs. John L. Horan from Antioch plan to attend.

Society To Seat Officers

St. Peter's Altar and Rosary Society will hold its installation of officers on June 7th, at 7 p.m. at Sail Inn on Rte 59 and Washington Street, Fox Lake.

All the ladies are asked to make reservations by calling Jean Benes at 395-1444.

Officers to be honored are: president, Lois Dowell; vice president, Marie Esser; secretary, Jean Proctor, and treasurer, Jean Benes.

A very festive evening is planned.

A bake sale will be held May 30. Marilyn Roth is chairman. St. Peter's annual rummage sale will be held June 24 and 25 in the Social Center from 10 a.m. to 8 p.m. on Thursday and 9 a.m. to 12 noon on Friday.

Doctor to patient: "Your diet will be simple. If it tastes good, spit it out."

Libertyville Queen Is Being Sought

Area women between the ages of 17 and 23 are being sought as contestants for the honor of being named "Queen" of Libertyville's 135th Anniversary celebration, July 21-24.

This is not a bathing suit contest, queen contest co-chairman Peggy Miedona emphasized.

"The queen will be judged on the basis of her personality, poise and costume. Plans call for the contestants to be driven in a convertible parade to Cook Park where she will be interviewed by a well-known broadcasting personality," Mrs. Miedona added.

The queen and her court will receive appropriate prizes and will ride the queen's float during the parade.

Contestants must be single and reside in Lake County. Their costumes must conform to the "Gay 90's" motif. All entries must be submitted to Mrs. Miedona at Libertyville's Snowflake

Ski Shop no later than July 10.

Plans are shaping up for a record celebration during the marathon weekend. Rides and concessions have been contracted for the downtown area and they will be set up as in the past.

The 135th Anniversary parade, set for July 24, will feature at least 10 marching bands and over 25 floats. The Libertyville Jaycees, who are sponsoring the parade, are making arrangements for an Air Force Reserve unit to fly their planes over the parade at low altitudes.

Area groups wishing to take part in the parade are urged to telephone 362-5808 for details.

During the celebration prizes will be awarded to men wearing the best beards, although all of the male residents are being asked to forgo shaving with the intention of making this the "hairiest" celebration in the village's history.

These young baton twirlers participated in competition held at Waukegan High School. Dawn Smith, right, won third place in the competition. Others left to right are Joy Gossman of Antioch and Janet Galiger of Lake Villa. They are students of Alice Brownlee Shea's Baton and Dancing Studio of Waukegan and Lake Villa.

CHRISTIAN SCIENCE CHURCHES

Today's need of spiritual alertness will be emphasized at Christian Science churches Sunday. "Ancient and Modern Necro-

mancy, alias Mesmerism and Hypnotism, Denounced" is the subject of the Lesson-Sermon. The Golden Text is from 1 Thessalonians: "Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness. Therefore let us not sleep, as do others; but let us watch and be sober."

Supporting commentary from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include: "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil. Clad in the panoply of Love, human hatred cannot reach you. The cement of a higher humanity will unite all interests in the one divinity."

The service at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Ill., begins at 11 a.m. Local members have invited the public to attend.

Social Notes

Mrs. Walter Buchert, Lake Catherine, accompanied by her son, Robert LaVerne, her sister and husband, the Lloyd Radleins, of McHenry, enjoyed an exciting day at the Arlington Race track Saturday, May 22. Afterwards, the four had dinner at the Radleins' home.

A speedy convalescence at home is wished Mrs. Frank Kennedy after her stay at Victory Memorial Hospital.

The Robert H. Dunlap, Jr. family, Grass Lake, entertained some twenty friends at an outdoor "Spare-rib Bar-B-Q party" held at their home Sunday.

Two Graduate From Whitewater

Two Antioch residents were graduated Sunday in commencement exercises at Whitewater State University.

They are James Byrne of RFD 5, and Bruce Knutsen of RFD 2.

For fixing things around the house, nothing beats a man who is handy with a checkbook.

Why are doctor's prescriptions so hard to read while their bills are so clear and legible?

A running mate is a husband who dared to talk back.

"You Can Remember Without Grief"

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

Lakeside Rebekah Lodge No. 82

By Del Jahneke

Some 75 Rebekah members were hosted by Antioch's Lakeside Rebekah Lodge No. 82 at a day long session of District No. Three, held at the Antioch American Legion Home on May 20.

Dinner was served at the Antioch United Methodist Church with the tables beautifully decorated with the red rose theme of the State President, and blue and white trimmings.

During the luncheon, the Antioch Community H. S. Stage Band B, under the direction of Mr. Charles Banks, played a medley of musical selections.

Mrs. Clarence Larson, Noble Grand of the Antioch Lodge, officiated at both the opening and closing rituals. Mrs. Charles Ferris, District No. 3 President, conducted the district session.

There were many dignitaries there, including the State Vice President of Wisconsin, and Illinois State Officers from Chicago and Springfield. All seven lodges of District No. Three, Antioch, Barrington, Crystal Lake, Evanston, Highland Park, Libertyville and Waukegan, had representatives present.

Rainbow Assembly Officers Seated At Saturday Rites

The installation of officers of Antioch Rainbow Assembly was held in the Masonic Temple.

Installing officers were Barbara Polsgrove, worthy advisor and mistress of ceremonies of Antioch Assembly 23; Judy Weells Bloom, installing officer, past worthy advisor of Antioch Assembly 23; Lynn Hall, installing marshal and past worthy advisor of Millburn 82; Colleen Bates, installing marshal and past worthy advisor of Antioch Assembly 23; Janet Polsgrove, installing recorder and past worthy advisor of Antioch; Pat Quinn, installing musician, and grand representative to Missouri from Wheeling Assembly 81, and Barbara Mason, installing soloist and past worthy advisor of Antioch.

Holly Lang was installed as worthy advisor; Linda Borak, worthy associate advisor; Robin Lindblad, charity; Cathy Wysoglad, hope; Susan Walsh, faith; Barbara Mason, recorder, and Janet Polsgrove, treasurer.

Other officers appointed were Roxanne Vestal, chaplain; Carol Peterson, drill leader; Christy Gibson, love; Roxanne Vestal, religion; Kim Evason, nature; Darcy DeVore, immortality; Becky Beveroth, fidelity; Penny Anderson, patriotism; Richelle Radke, service; Denise Pate, confidential observer; Sharon Hargerson, outer observer; Denise DeVore, musician, and Lori Burns, choir director.

Mrs. Mary V. Bruskis is mother adviser.

The Law Serves You

A Public Service of the
ILLINOIS STATE BAR ASSOCIATION

EXPRESS DRIVING LAWS

If you are planning a highway trip this summer, now is a good time to brush up on your knowledge of the law and of express highway driving techniques. For this purpose, the Illinois State Bar Association has come up with a number of tips based on Illinois law, most of which make equally good sense when you are driving in other states, too.

1. **CHANGING LANES.** Always activate the appropriate turn signal to indicate your intention to move from one lane of traffic to another. Drive defensively and never change lanes unless you can do so safely—even if you have signalled.

2. **MERGING TRAFFIC.** In Illinois, all drivers on merging roadways (or traffic lanes) are required to adjust speed and vehicular position to avoid collision. For example, if you are driving in the outside lane of an express highway, you must look out for vehicles coming into your lane from access roads. You DON'T have the right of way.

3. **OBEY POSTED SPEED.** This means posted minimum speeds as well as maximums. In the absence of posted maximums, you must drive fast enough so that you do not obstruct the normal flow of traffic. If there is no posted maximum speed, the legal speed limit is 65 m.p.h. on the highway and 30 m.p.h. in town.

4. **DON'T PICK UP HITCHHIKERS.** Many states prohibit hitchhiking and may penalize motorists who pick up hitchhikers. Illinois law says: "No person shall stand in a roadway for the purpose of soliciting a ride from the driver of any private vehicle."

5. **KEEP AUTO REGISTRATION CARD HANDY.** In Illinois, you can keep your auto registration card in your billfold, purse or elsewhere. Many states require the registration card to be in the car at all times and you could be detained if unable to provide immediate proof of ownership.

6. **NO LITTERING.** Illinois law provides a fine of from \$5 to \$50 for cluttering up the countryside with chewing gum or candy wrappers, beer cans or anything else that should be deposited in a trash can, rather than on the road. Other states have even stiffer penalties.

7. **PLAN AHEAD.** Look for signs that indicate you are approaching the exit you wish to take. If you miss it, don't back up and don't try to turn around. Both maneuvers are prohibited on express highways in Illinois and other states. You must go on to the next exit.

8. **IN CASE OF EMERGENCY.** The customary sign of a traveler in distress is a raised hood. If you run out of gas, have a flat or engine trouble, pull to the right-shoulder of the road, off the paved portion. Lift the hood and display a white handkerchief from the left front door. Under Illinois law, a turn signal may not be flashed as a sign of a disabled vehicle, although dual flashing rear lights may be used. Wait for a state trooper or highway service truck. Don't try to flag down another traveler and don't walk or hitchhike.

This Woman's Lib movement is going to retire a lot of old standard jokes, and of course start a lot of new ones.

Dense Stand Of Lawn Grass Is Best Weed Defense

One of the best ways to control weeds in your lawn is to maintain a dense stand of grass, says Ray T. Nicholas, Lake County Extension Adviser. Grass competes with the weeds for light, moisture and other essentials for growth, and that competition reduces number of weeds.

Maintaining a dense stand requires proper fertilizing, mowing and watering. Mowing too close decreases vigor of grass and allows more weeds to come into the turf. How high you clip depends on kind of grass. Leave two inches if you have a Kentucky bluegrass.

Frequent shallow watering also favors weed growth. Nicholas advises soaking the soil to a depth of 6 to 8 inches, allowing a week or more between waterings. But if you've applied a herbicide, check directions on the container to see how soon you can water.

If you have only a few weeds, you may be able to control them by pulling. But many weeds, such as dandelion and quack grass, have extensive roots and stems that break when pulled—and the weeds then send up additional shoots.

Digging is another time-consuming and tedious method. If your lawn has a lot of weeds that herbicides will handle, you can save time and effort by using the chemicals.

You can control many broad-leaved weeds, including dandelion, with periodic applications of 2, 4-D during the growing season. Spring applications usually give satisfactory results. Weeds may be more resistant to 2, 4-D at certain times than at others. Mature weeds are commonly less susceptible to the herbicide than younger ones.

Nicholas explains that 2, 4-D should always be used with extreme caution and as directed on the container. Drift from 2, 4-D may kill or injure certain plants near the area being treated. The non-volatile amine form is the best to use on home lawns.

If you've sprayed 2, 4-D on weeds it is best not to use the same sprayer to put other chemicals on desirable plants that are susceptible to 2, 4-D.

FUNERAL NOTICES

FRED W. PETERSON

Fred W. Peterson, 63 years old of 333 Ida Ave., Antioch, passed away on Friday, May 21, at 7 p.m. in Victory Memorial Hospital in Waukegan. He was born April 21, 1888 in Chicago and resided there until moving to Antioch 15 years ago. He held membership in St. Peter's Catholic Church at Antioch. He had worked as a foreman for A. B. Dick Co. in Chicago for 43 years. He married Mary M. Kohler on August 24, 1911 in Chicago. He was preceded in death by three sisters, Mrs. Augusta Heron, Mrs. Minnie Gummel, Mrs. Josephine Rice, and one brother, John Peterson.

Survivors are his wife, Mary May Peterson, two sons, Harold C. (Ellen) Peterson, Kansasville, Wis., and Frederick W. (Joan) Peterson, Stillwater, Minn., six grandchildren and two great-grandchildren. A funeral mass was held at 10 a.m. Monday at St. Peter's Church in Antioch. Interment was in Mount Carmel Cemetery at Antioch.

MISS CATHERINE HLAVAC

Miss Catherine Hlavac, 59 years old of Cross Lake near Antioch, passed away at 5:55 a.m. Sunday, May 23, at Conell Memorial Hospital in Libertyville. She was born Nov. 18, 1911 in Chicago and resided there until moving to Antioch in 1949. She was a member of St. Peter's Catholic Church in Antioch. She was a seamstress in her home by occupation.

Survivors are her mother, Mrs. Ottilia Hlavac, Spencer, Wis., and the following brothers and sisters: Mrs. Marie (Robert) Clegg, Chicago; Mrs. Anna (Thomas) McHale, Rapid City, S. Dak.; Joseph (Eleanor) Hlavac, Spencer, Wis.; Miss Sophia Hlavac, Marshfield, Wis.; Mrs. Julia (Joseph) Sikko, Cicero; Mrs. Victoria (Louis) Thorzo, Chicago; Rudolph Hlavac, Chicago; Mrs. Agnes (Donald) Holderman, Spencer, Wis., and Mrs. Frances (Albert) Oeldich, Spencer, Wis.

A funeral mass will be held Thursday, May 27, at Christ the King Catholic Church in Spencer, Wis., with interment in the Spencer Cemetery. Funeral arrangements were handled by the Strang Funeral Home in Antioch.

MRS. MARIE DOSEDEL

Mrs. Marie Dosedel, 81 years old of 371 Winsor Drive, Antioch, passed away Tuesday, May 25, at Terrace Nursing Home in Waukegan after a lingering illness. She was born Nov. 6, 1889 in Moravia, Czechoslovakia and came to the United States in 1910 to reside in Chicago until moving to Antioch in 1946. She is a member of the Antioch Methodist church and Alice Circle of that church. She married James Dosedel in 1919 in Moravia, Czechoslovakia. She was preceded in death by her husband James in 1916, 1 daughter Emily, a son James, and one brother, John Kosh.

Survivors are 1 daughter Mrs. Lillian (Carl) Hattendorf, Antioch, one brother and one sister in Czechoslovakia, one grandson, Herbert Hattendorf, Zion, Ill., and four great-grandchildren.

Funeral services will be held at 1:30 p.m. Thursday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch United Methodist Church will officiate. Interment will be in Hillside Cemetery. Friends may call at the funeral home after 4 p.m. Wednesday.

American Legion Boys State, with Gary Rush as an alternate. The Girl State selection was Kathy Walpole with Krista Barlow, alternate. This award is by the American Legion Auxiliary.

Chosen to attend summer program, under sponsorship of the Antioch Woman's Club are Louise Taylor, art federation, Allerton Park; Elda Minger, chorus; Janet Kroepfl, conservation, University of Illinois, and Mike Ozga, band.

Connie Krantz won the Northern Illinois Conservation Club award, and State Bank of Antioch scholarships at the University of Illinois went to Sue Walsh, Sandy Horton and Mary Palaske.

Nancy Schaeffer will attend Western Illinois University with a scholarship grant from the Rotary Club; University of Illinois scholarship from First National Bank of Antioch, Antioch Savings and Loan Association and Science Club were given Nancy LaChance, Frances Colette, Bonnie Sorensen, Peggy Griffin, and Kathy Hill.

Other scholarships are Keith Bolton, Iowa Central Junior College athletic scholarship; Bruce Carlson, Augustana College; Gary Daylon, Carroll College; Jill Fischer, Augustana College; St. Norbert College, James Gaa; George Green, Illinois Institute of Technology; Eve January, Rockford College; Janice Radke, Carroll College, and Susan Severson, Augustana College.

Perfect attendance marks for four years were achieved by Michael Geiger and Patricia Guzowski. Lynn O'Meara, Robert Osmond and Donna Sokup have perfect attendance for three years.

The Bausch and Lomb award went to Elaine Wells. The highest score on the national math contest was made by Elaine Wells.

Seniors with 4.0 average during the past four years were: Roma Kay Andrews, Quentin C. Blanchette, Louis Joel Bliss, Robert James Blue, Renee A. Bobzien, Carol Jean Boreen, Bruce Walter Carlson, Daniel Patrick Carrick, Linda Susan Carter, Kathleen Anne Chase, Gary P. Dayton, Janice Eileen Doolittle, Mary Ellen Dowell, Steven M. Dziki, Dawn Elaine Ellis, Jill Leslie Fischer, Michael Robert Geiger, Charles P. Geist, Robert Lee Gross, Patricia Ann Guzowski, Kim Horvath, Andrea Janosko, Eve Marie January, Claudia Ann Kinast, Carl Victor Knutsen.

Edwin John Krupo, William Guy Lahl, Judy Lynn Langager, Patricia Anne LaParr, Janet

Carol Lemcke, James C. Moore, Lynn Marie O'Meara, Michael Joseph O'Neill, Heather Ann Petty, Barbara J. Pfisterer, Janet E. Polsgrove, Kenneth J. Pribble, Janice K. Radke, Rick Allen Roberts, Susan Lynn Severson, Linda Diane Soland, Bryan Sorensen, Terry Lee Stewart, Debra Lee Toft, Diane Annette Vos, Elaine Marie Wells, Mary Cecelia Wiczorek, Mary Ann Wilson, Kathleen Ann Wurster.

Seniors elected to the National Honor Society in 1970 were Roma Andrews, Renee Bobzien, Carol Boreen, Bruce Carlson, Kathleen Chase, Dawn Ellis, Robert Gross, Eve January, Michael O'Neill, Heather Petty, and Kathleen Wurster.

Seniors elected in 1971 were Robert Blue, Robert Cichon, Janice Doolittle, Mary Dowell, Steven Dziki, Jill Fischer, Michael Geiger, Pat Guzowski, Sarah Halversen, Renee Bobzien, Steven Kocmoud, Edwin Krupo, William Lahl, Janet Lemcke, James Moore, Lynn O'Meara, Barbara Pfisterer, Janice Radke, Tim Schremser, Susan Severson, Sonia Slovinsky, Donna Sokup, Linda Soland, Diane Vos, Elaine Wells, and Mary Wiczorek.

Seniors elected in 1971 were Vera Bacwyn, Krista Barlow, Cheri Dalgaard, Jennifer Hotchkiss, Donna Kessler, Paul Lemcke, Elda Minger, Nicki Modder, Candace Nelson, Barbara Polsgrove, Sharon Prange, Gary Rush, Barbara Sander, Karen Yopp, Brian Zale.

Phasing out DDT should be good news for cannibals. Americans are inedible nowadays because their DDT content has reached the permissible limits set for cannibal foodstuffs.

If apron designers Wore aprons, they might Stop putting the pockets At doorknob height.

Chicken Dinner Scheduled For Millburn Church

The Ladies Aid and Mylo Club of the Millburn Congregational Church will sponsor a chicken dinner June 16 in the church dining room.

Three servings at 5, 6 and 7 p.m. are scheduled. Committee members, Mrs. B. Doolittle (295-3828) and Mrs. J. Haisma (356-5759), may be called for reservations.

Funds raised will go into the church building fund.

Good intentions never saved a penny.

It takes a commitment to save money. To your family, to the future. And maybe to your country. Good intentions just aren't enough.

That's why the Payroll Savings Plan works so well. It's a way of saying "I'm committed."

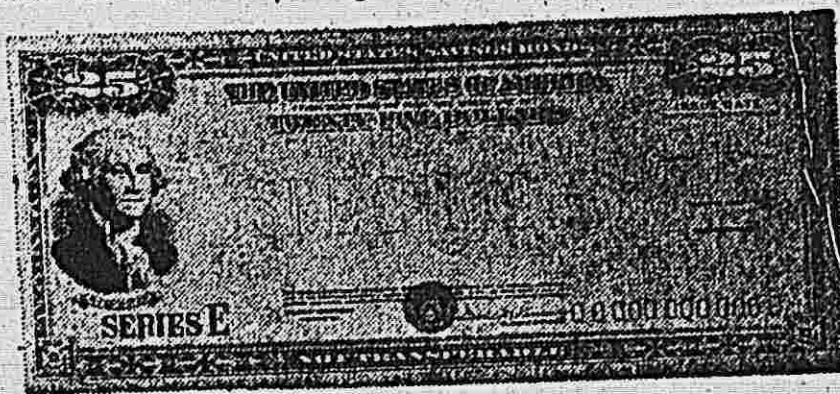

And it's almost effortless. All you do is sign up once, where you work. Then the amount you specify is automatically set aside from your check each payday and put into U.S. Savings Bonds. You have automatic saving power.

After all, it's hard to spend money you don't touch.

Oh, you'll touch it someday. For that house, or dream vacation, or for your kids' college education.

And now there's a bonus interest rate on all U. S. Savings Bonds—for E Bonds, 5½% when held to maturity of 5 years 10 months (4% the first year). That extra ½%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970 . . . with a comparable improvement for all older Bonds.

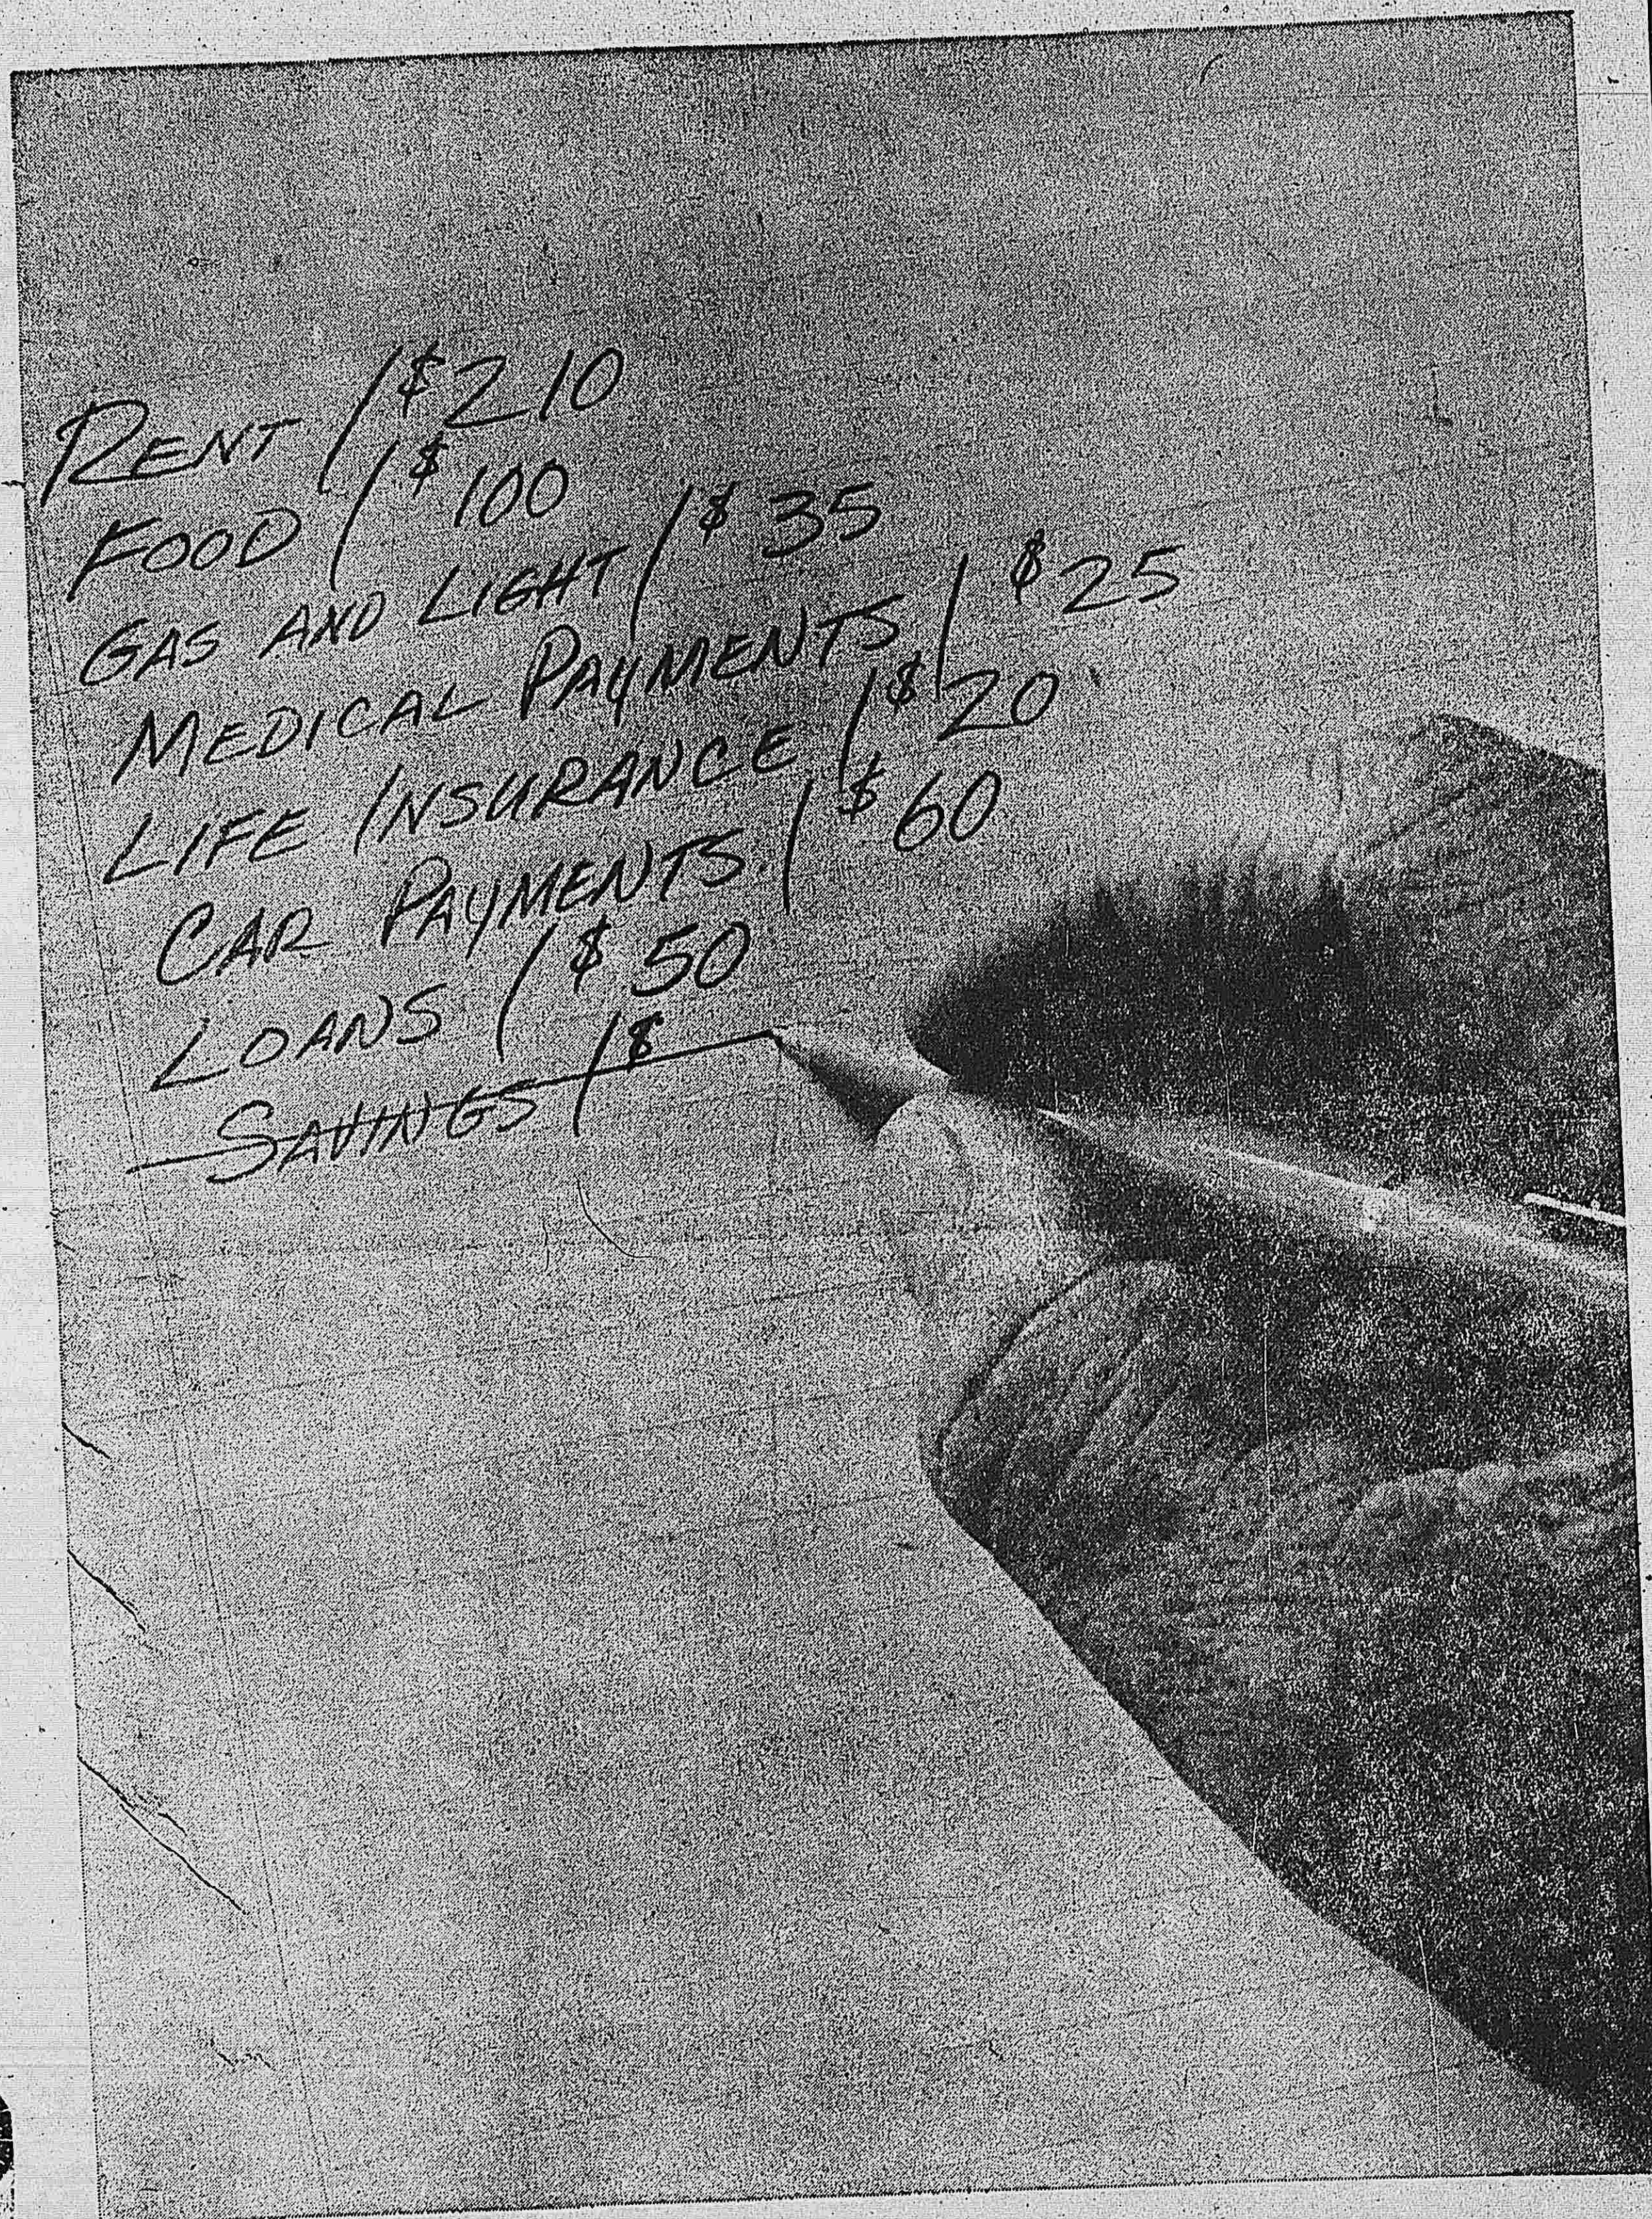

So think it over. The Payroll Savings Plan. It's a small effort, but it's a big commitment. For you and your country.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America.
With higher paying U.S. Savings Bonds.

Antioch Sequoits Win Northwest Track Title

Antioch shared the Northwest Suburban titles in basketball and football, but such was not the case in Saturday's track and field meet.

The Sequoits won the track crown with 88 points, 36 more than Lake Zurich which finished second with 50 points.

All members of the track team suited for the competition whether he was going to run or not. During each event, a long line of Antioch thinclads were cheering their teammates along the cinder paths.

Coach Jerry Sandberg said he was happy about winning the track crown. "It was a great team effort," he said.

There were individual performances which cannot be overlooked in this year's meet.

Gary Mandehr won both the 880-yard run and the mile, setting a meet record for the eight furlongs, and Jim Coia won both the 100 and 220-yard dashes, ran on the first place 880-yard relay team and placed second in the

long jump.

Robert Osmond tied the school record of 52.3 while placing second in the 440-yard dash and also took a third in the 880-yard run.

Mark Mason, a sophomore, broke the school record with a first place time of 9:52.5 in the 2-mile run, and Tom Effinger won the high jump.

Pat Michalac placed in three events, and Tony Bagzynski, Bob

Bevar and Rich Weiss all placed in two events.

TEAM TOTALS

Antioch, 84; Lake Zurich, 50; Lake Forest, 36; Grayslake, 21; Wauconda, 20; Warren, 14½; Grant, 6; Round Lake, 5½.

Event Winners

120-Yard High Hurdles—Randy Roland, Grayslake, :15.8.
100-Yard Dash—Jim Coia, Antioch, :10.2.
2-Mile Run—Mark Mason, Antioch, 9:52.5.

och, 9:52.5.

Long Jump—Roger Smeels, Lake Zurich, 21 feet, 9 inches.
High Jump—Tom Effinger, Antioch, 5 ft., 10 in.
Shot Put—Greg Dubinetz, Lake Forest, 49 ft., 2½ in.

Discus—Greg Dubinetz, Lake Forest, 43 ft., 1 inch.

880-Yard Run—Gary Mandehr, Antioch, 2:00.1.

880-Yard Relay—Antioch (Jim Coia, John Pedersen, Pat Michalac, Tony Bagzynski), 1:34.5.

440-Yard Run—Don Matthews,

Lake Zurich, :51.8.

180-Yard Low Hurdles—Jim Krebs, Lake Forest, :20.8.

Mile Run—Gary Mandehr, Antioch, 4:28.7 (record, old record 4:34.4, Lindahl, Grant, 1964).

220-Yard Run—Jim Coia, Antioch, :33.7.

Mile Relay—Lake Zurich, (Johnson, Murray, Burrell, Matthews), Time 3:35.9.

Pole Vault—Bob Mill, Warren, Height, 13 ft. (record, old record, Brokaw, Grayslake, 12 ft. 6 in. 1970).

Coast Guard Unveils Fox Lake Site

The Coast Guard held an open house Sunday at its new Boating Safety Detachment (BOSDET) office at 17 South Route 12, Fox Lake.

Rear Admiral William A. Jenkins, the commander of the Ninth Coast Guard District; Commander Kenneth D. Albritton, the chief of the Ninth Coast Guard District's Boating Safety Division; and Mayor Joseph Armondo of Fox Lake attended.

The open house gave the boaters of Fox Lake a chance to meet the three members of BOSDET and get an idea how the BOSDET operates. Boating information will be available and the Coast Guard Auxiliary will be on hand to give boaters free Courtesy Motorboat Examinations.

The three members of the BOSDET are First Class Engineer William G. Humphries, Second Class Engineer David L. Hook and Second Class Boatswain's Mate James W. Thatcher.

During the summer months two members of the BOSDET will patrol the Fox Lake area checking boaters for their compliance to Federal regulations and answering questions about boating. The other member of the BOSDET will be available at the office to answer inquiries.

The Fox Lake BOSDET was the first BOSDET created in the Ninth Coast Guard District. Its original home was Chicago where it shared its office with the Coast Guard Group there.

Camping, Trailering Safety Tips Offered

Whether you're new to the booming field of camping and trailering or an old hand, these safety tips are well worth noting. No matter what kind of modern equipment is inside, the motorist still faces the task of towing the extra weight of his trailer safely and setting up comfortably for the night.

You must match the size and type of trailer you buy or rent to the car you'll be using to tow it. A car can tow much more weight than it can carry. A standard American car with less than

200 horsepower can handle trailers weighing up to 2,000 pounds, and for cars with additional horsepower trailers weighing up to 3,800 pounds can be towed safely. Big cars with large engines can handle trailers in the 4,000 pound range without undue strain.

Travel trailers weighing more than 5,000 pounds are towed by pickup trucks. Compact cars with less than 95 horsepower should not be expected to tow anything but a lightweight tent trailer.

Check the towing capability of your car by consulting the owner's manual or call your dealer for the manufacturer's towing recommendations.

No matter what size trailer you'll be towing, a good solid trailer hitch is essential. Bumper hitches are not acceptable for trailers weighing more than 500 pounds. Frame hitches, which are either bolted or welded directly to the frame, are preferable for all but the lightest trailers.

Non-equalizing frame hitches place most of the trailer's weight on the rear axle of your car, which can adversely affect handling characteristics, especially with heavier trailers. Equalizing hitches distribute the load more evenly over both car and trailer axles. Anti-sway devices will help control the fishtailing effect that sometimes occurs with heavy loads.

States require additional safety chains no matter what type of hitch is used in order to make certain the trailer always remains attached to your car.

Several state regulations regarding trailer towing vary from one state to the next. For example, most states set a lower speed limit for cars towing a trailer. Many states require clearance lights in addition to brake lights and directional signals on the rear of the trailer. Extra rear view mirrors are often required and you'll find them essential to good view beyond the rear of the trailer. Certain brake requirements based on weight and performance characteristics also are stipulated by some states.

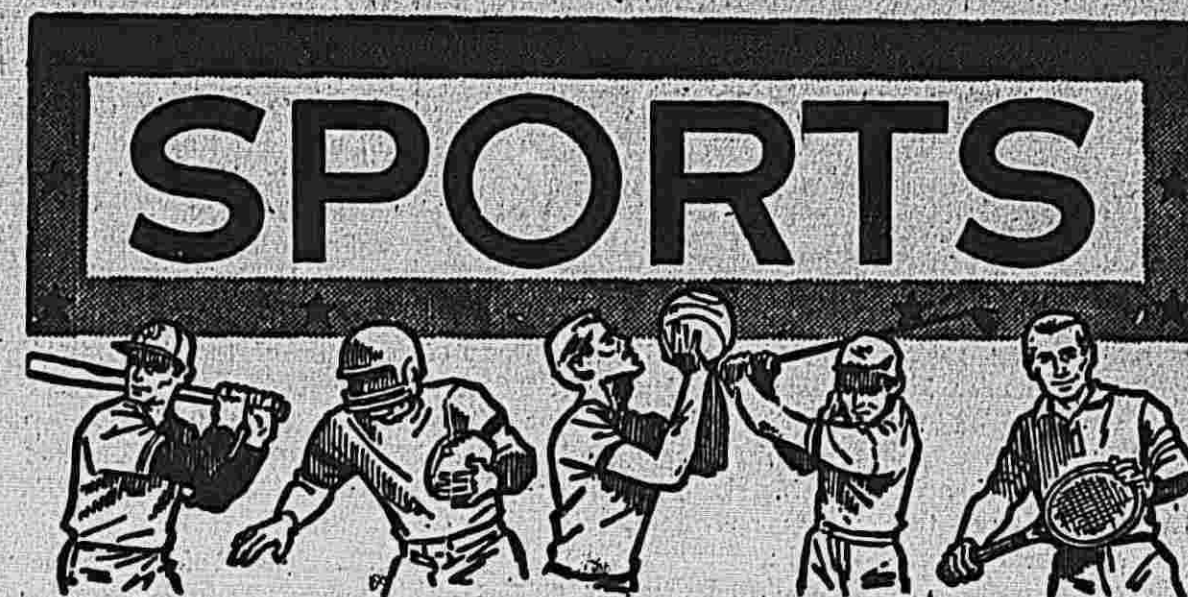

Handling your vehicle with a trailer in tow demand extra caution. You'll want to take extreme care when pulling out to pass. Acceleration will be slower due to the additional weight and you'll need more space for getting past the other vehicle. Braking distance will likewise be longer. And keep an eye on the gas gauge with an extra load you'll burn more fuel.

Check your insurance coverage to make certain you are protected when towing a trailer. As a rule, the liability and property damage provisions of your car insurance apply to the trailer, but collision, theft, fire and comprehensive coverage must be purchased separately.

College Will Sponsor Exhibit

Paintings, graphics, sculptures, and crafts, produced by local artists, will be shown in an art exhibit and display, sponsored by the College of Lake County.

The CLC Fine Arts Committee announced that the artworks may be viewed on Saturday, May 29, 9 a.m. to 4 p.m., and Sunday, May 30, 12 noon to 4 p.m., at the Mundelein High School, Route 63 and Hawley Avenue, Mundelein, Illinois. Works of art students of the College of Lake County and community artists will be included in the show. Admission is free.

Thursday, May 27, 1971

THE ANTIOCH NEWS—7

Schill Wins Feature At IRA Opener

Al Schill, Franksville, Wis., who recently inherited the presidency of the Interstate Racing Association of Super-modifieds, became the first IRA feature winner as the season opened at the Kenosha County Speedway in Wilmot Saturday night.

Following the race Schill gave credit to the poor track conditions which he felt held down passing. He had started the 30 lap distance from the pole.

Schill was right about the passing being difficult but up front he couldn't have been aware of the outstanding outside driving job being done by Champion Whitey Harris of Lake Villa. Harris started 14th and was up to third challenging Ron Bergama, Richmond, when his new super suffered a broken brake line that caused him to slow and finish eighth.

The rough and dusty track conditions did cause two restarts and several spin-outs. Most spectacular was the charge of Johnny Belmer, Caledonia, in the Nielsen A3 modified from his 10th starting spot to 4th where he raced wheel to wheel against Don Sorce, West Allis, in another of the new supers. As Belmer made a bid to get around Sorce in the third turn, the cars slammed together and spun wildly to the outside where only Belmer was able to restart and roar back to finish fifth.

The 4th 10 lap heat was probably more thrilling than any race even of the 1970 season as leader Jr. Dodd, Waukegan, gave up the lead when an axle broke and co-rookie of 1970, Joe Moulis, McHenry, took over. In spite of repeated bids by both Bergama and Harris, Moulis held on for the win and later said that as early as that morning he was undecided about his plans for the '71 season but that one race had wiped out any doubt about the

remainder of the season.

Earlier co-rookie John Olson, Round Lake, won the second heat by more than a full lap advantage as most of the cars were eliminated. In this race hard luck once again struck Roger Jacobson, Bristol, as his car was run over by another in the second heat causing a wheel from the front axle to be torn off. This car was nearly demolished last year in its first appearance and in 1968, again in the first race of the season, Jacobson nearly demolished a car in a series of flips down the straightaway. That time it took him until July to get back on the track and in the very first time out, did demolish the car at the Rockford Speedway. This time Jacobson expects to be back sooner.

The Holiday weekend finds the IRA circuit supers with four race dates in five nights starting at Wilmot on Saturday and ending at Raceway Park on Wednesday.

Jack Aschenbrenner, the number two man in IRA Sportsman stock cars at Wilmot last year, was the number one man there on Saturday night as the IRA sportsman stock cars opened the 1971 season.

Aschenbrenner set fast time and came back to score an exciting win in the feature but missed a clean sweep by getting only second in his heat behind Joe Ments.

It was the largest group of IRA sportsman stock cars so far for an opening night and the group had more than the regular share of close running crashes and thrills for the nearly 3,000 fans.

Wife, coming home from a car wreck: "The sign said, 'Stop, Look and Listen,' and while I was doing that a train hit me."

Emmons Win Big 6 Conference Crown

Coach Mike Mitchell's Emmons Raiders concluded their baseball season Thursday, May 20 with a showdown match with the Spring Grove Eagles. It was billed to be a battle for first place. Both teams entered the contest with a 4-0 won-lost record. Emmons won 8 to 0.

In their second trip to the plate Emmons scored what proved to be the decisive run. Bob Bach opened the inning with a single but was quickly erased when Jeff Schmidt lined to short and Bach was doubled off. Dennis Thain followed with an infield single and went to second on a throwing error. Paul Petty, a utility man, playing because of an injury to a front liner, smashed a single to right to drive home Thain.

Ron Sheedlo pitched so well for Emmons that he was never in trouble. Only two runners were permitted as far as second. Sheedlo allowed no runners to third on route to a four hit shut-out and his fourth win.

In the third the Raiders scored 5 runs with only three hits. Emmons was helped with the aid of three errors and a walk in the inning. This put the game out of reach.

The Raiders added two insurance runs in the seventh. Bob Dodd opened the inning with a long double. After Jim January and Tom Grego were out on fly balls, Ken Cash unloaded a long triple to score Dodd. Cash was chased home a moment later on Bach's third hit of the day.

The Eagles mounted a minor threat in the home half of the seventh. However, a clever hidden ball trick wiped out the rally before it started moving. Emmons closed out the season with an unblemished 5-0 mark. This gave Emmons its fifth

straight title in the Big Six Conference.

Slate Drag Racing Meet Memorial Day

One of the most prominent of the nation's major drag racing meets will take place over Memorial Day weekend, at the Great Lakes Dragway.

It's the 15th annual "Olympics of Drag Racing," a meet that year after year attracts the nation's top drivers.

The prestige that goes with winning one of the events plus a substantial share of the \$50,000 guaranteed cash purse lures entries from over 40 of the 50 states annually.

The 4 day meet kicks off Friday May 28th and winds up Monday May 31. Friday and Saturday nights races start at 8:30 and feature the 210 MPH super-charged funny cars.

Sunday and Monday programs are slated for 2 p.m. with the potent nitro burning dragsters headlining the action.

The fascinating wheelstanding cars, trucks and motorcycles will race in side by side competition all 4 days. Advance entries already top the 400 mark with 37 states represented.

Funny car drivers include Fred Goeske, "Jungle Jim" Liberman and Paula Murphy all of Los Angeles; Roland Leong of Hawaii;

Dickie Harrell of Kansas City; Gene Snow and Richard Tharp of Dallas; Vic Cecelia of Milwaukee; Don Schumacher and Gary Dyer of Chicago; Arnie Beswick of Morrison, Illinois; Della Woods and Terry Hendrick of Detroit.

Nitro fuel dragster entries include Don Garlits of Saffner, Florida; Chris Karamesines of Chicago; Dan Wingert of Milwaukee; Bob Murray of St. Louis; Jack Mitchell of Beloit Wisconsin; Don Prudhomme, Tom McEwen, Tommy Ivo, Jim Nicoll and Steve Carbone, all from the Los Angeles area.

Drivers of wheelstanding racers include Richard Hutchins of Miami, Florida; Bill Shrewsbury of Columbus, Ohio; Gary Watson of Corpus Christi, Texas; Fritz Burals of Burlington, Wisconsin; Frank Monaghan of Philadelphia; Bob Perry of Phoenix; Bob Rigles of Mansfield, Ohio; Connie Swingle of Tampa, Florida and Bill "Maverick" Golden of Los Angeles.

Great Lakes Dragway is located 12 miles north of the Illinois-Wisconsin state line and 4 miles west of I-94 at Union Grove, Wis.

Art Course Offered

A two-week art course on the subject "Studies in Creativity" will be offered by the University of Illinois Extension Division, starting Monday, June 21, according to Ray T. Nicholas, Lake County Extension Adviser.

The course will be taught by a member of the Art Department of the University of Illinois and will be given in the Cooperative Extension Service Building located on the Lake County Fairgrounds.

The content of the course will include work in two dimensions with oil or acrylics, water colors, collage and pen and ink, and to experiment in 3 dimensions with paper, clay, wire and wood.

The course is open to anyone who is a high school graduate and the limited enrollment will be on a first-come — first served basis.

Information and application forms may be secured by contacting the Lake County Cooperative Extension Service office, Lake County Fairgrounds, Grayslake, Illinois 60030.

Chicagoan Misses Speedway Record

Carl Major of Chicago missed a new 30 lap track record in the late model feature event Saturday night by less than two seconds as he won the feature race at the Waukegan Speedway. Tom Jones of Northbrook finished second two car-lengths back.

The feature race was run non-stop although a near accident in the first lap may have changed the outcome of the race. Lou Clavey of Deerfield got crossed up going down the backstretch on the first lap and it took some nifty driving on the part of about half of the field to miss his sliding car.

Both Major and Jim Cossman of Waukegan avoided the mess and along with early leaders Ralph Cabrera of Chicago and Roy Acuff of Chicago were able to open up a good margin on the remainder of the field. Major took the feature lead at the end of the third lap with Cossman in hot pursuit.

At the end of five laps Major

and Cossman held a comfortable lead over Jones. Bob May of Gurnee, Bob Roper of Chicago and Al Gutche of Bristol. Cossman, stayed right on Major's rear bumper for the first dozen laps before dropping back slightly. Jones passed Cossman during the 15th lap for second spot, but Major kept up his hot pace on this cool night for the win.

Cossman finished in third place ahead of May and Gutche. In the 18th lap Roper had passed May for fourth, but a rear end failure in the next lap sidelined him. Roper had been second in points before this event. Saturday's fastest qualifier was Jones who turned in a 14.39 lap on a slick track. Jones also won the six lap trophy dash taking the lead from Gutche in the final lap.

The largest field of hobby stock cars of the season were on hand Saturday and they served up more than their share of unexpected thrills. The hobby and

sportsman cars will have their own night of racing May 28. A powder puff derby and a complete fireworks display are also on that program.

The hobby feature was restarted once when Ed Smith of Gurnee spun in the first lap, then stalled his car broadside on the home straightaway. Tom Edwards of Zion opened up a nice lead on the restart with point leader Tom Reuss of Wildwood moving into second with six laps remaining.

Reuss pulled along side Edwards and did take the lead in the final lap, only to collide with Edwards in the final turn. Reuss spun and stalled with Edwards taking his first feature win. Cheyrl Arndt of Milwaukee took second place ahead of Mike Napierala of Milwaukee. Don Reuss of Grayslake and Ralph Koerner of Milwaukee.

In the second of three heat races Charles Becker of Deerfield and John Gonzales of Waukegan came out on the worst end

of a multi-car pile-up. Becker, in his first start of this year, had the rear axle housing ripped out from under the car as he stood the car right on its nose. He did not rollover and there were no injuries.

SPECIAL— Racing over Memorial Day weekend will feature three nights of activity. Starting on Friday night, the hobby, stocks and sportsman type cars will combine in a complete card of races topped by a 25 lap feature. With more money on the line than usual, a full field of cars is expected.

Also on Friday's schedule will be a fireworks display and a powder puff derby for the ladies. Saturday and Sunday nights will feature the late model super stocks in action with a 50 lap main on Saturday and the first 100 lap affair of the year under the lights Sunday.

Time trial runs for each of the

Abbott Renews Scholarships Of 3 Students

Scholarships of three Antioch students have been renewed by The Abbott Foundation, it was announced.

They are, Craig and Rodney Patterson, both of RFD 3, Box 683, and Vincent Stonis of RFD 2, Box 340.

Airman Owen At Keesler AFB

Airman Thomas K. Owen has completed basic training at Lackland AFB, Texas, and will continue his studies in the career field of communication electronics at Keesler AFB, Miss.

three nights of racing will start at 7 p.m. with the first race at 8 o'clock. In case of rain, Monday night, May 31 may be used for a raindate. Fans can check for sure by calling the track at 682-8200.

Gene Barth, right, was awarded a trophy and \$1,000 check for winning the men's singles in the 26th annual Antioch Bowling Tourney. Making the presentation is Marty Paden, one of the owners of the Antioch Bowling Lanes.

Marty Paden, one of the owners of the Antioch Bowling Lanes, presents trophy to Joyce Richter, winner of Women's Antioch Singles Tournament.

Daniels Completes Banking Seminar

Walter Daniels, vice president and cashier of the First National Bank of Antioch, was one of 94 bank executives from 28 states who successfully completed the twelfth annual seminar for senior bank officers sponsored by the Independent Bankers Association of America at the Harvard Graduate School of Business Administration in Boston, Mass.

The seminar offered an intensive week of lectures on practical banking subjects and group analysis of actual case studies of Bank Management. The seminar is the only American banking school planned primarily for the executive officers of banking. It is directed by Dr. Charles M. Williams, professor of commercial banking.

ADMISSION

Admission to the College of Lake County is open to all high school graduates, as well as to non-high school graduates, 18 years of age or older, who can benefit from programs or courses offered by the College. To be admitted: obtain, complete and return an Application for Admission Form to:

Director of Admissions
College of Lake County
19351 W. Washington St.
Grayslake, Illinois 60030

Students who are enrolled in high school with junior or senior standing may be admitted as Special Students. In addition to the usual items required for admission, a Special Student must submit to the Director of Admissions a letter of approval for admission from the high school in which he/she is enrolled. The provision for the Special Student enables a student with special interests or abilities to supplement his high school program with courses available at the College.

APPLICANTS FOR SUMMER SESSION ONLY

Students planning to enroll for the 1971 Summer Session ONLY must submit the following:

1. A completed Application for Admission.
2. Section I of the College of Lake County Health Record Form. (Completion of Sections II and III of the Health Form is required for students planning to participate in physical education classes.)

APPLICANTS TO CONTINUE AS FULL-TIME STUDENTS FOR FALL SEMESTER

Students planning to continue their enrollment as Full-Time Students (12 or more semester hours) for the 1971 Fall Semester MUST submit the following:

1. A Completed Application for Admission.
2. College of Lake County Health Form completed by a physician.
3. Official high school transcript as well as official transcripts from all colleges and universities previously attended.
4. American College Test (ACT) results forwarded from ACT, Iowa City, Iowa. Persons who have earned 10 semester hours or 15 quarter hours of "C" or better work from other colleges are NOT required to submit the ACT scores. The ACT code number for the College of Lake County is 1005.

REGISTRATION, June 10 and 11

Registration will be held at the College Campus in the Learning Resource Center (Bldg. 2). Students enrolling for the Summer Session will be able to complete advisement and registration in a single session. Students may register during the DAY (9:00 a.m.-4:00 p.m.) or during the EVENING (6:00 p.m.-9:00 p.m.). Students not employed during the day are encouraged to register according to the DAY REGISTRATION SCHEDULE. Students employed during the day may register according to the EVENING REGISTRATION SCHEDULE.

DAY REGISTRATION SCHEDULE

For students not employed during the day.

College Of Lake County announces 1971 SUMMER SESSION

19351 W. Washington Street

Grayslake, Illinois 60030

Telephone (312) 223-8193

CLASSES BEGIN JUNE 14

EVENING REGISTRATION SCHEDULE

For students employed during the day:

6:00 p.m. - 9:00 p.m., Thursday, June 10

Students whose last name begins with A-L report to the Learning Resource Center (Bldg. 2).

6:00 p.m. - 9:00 p.m., Friday, June 11

Students whose last name begins with M-Z report to the Learning Resource Center (Bldg. 2).

COURSE LOAD

Students may enroll for a maximum of nine (9) semester hours for the eight-week summer session. Special permission must be obtained from the Dean of Student Services to register for more than nine (9) semester hours.

PAYMENT OF TUITION

All tuition and fees for the summer session are payable at Registration.

Resident tuition	\$ 9.00 per semester hr.
Non-Resident tuition (see below)	\$35.50 per semester hr.
Registration-Activity Fee	\$.75 per semester hr.
Late Registration Fee	\$ 3.00 for ALL students registering after June 11

EXTRA CHARGE FOR NON-RESIDENT STUDENTS

Illinois students who are not legal residents of Junior College District 532 shall pay an extra charge, equal to the per capita cost per semester hour less tuition and state apportionment, unless they obtain an approved "Authorization for Partial Student Support" from their local high school or junior college district. An out-of-district student who obtains such an "Authorization" is charged the same tuition and fees as a resident student. The "Authorization" form must be submitted to the Admissions Office prior to, or during, registration.

Out-of-State students shall pay an extra charge equal to the per capita cost per semester hour less tuition.

TUITION REFUND POLICY

Tuition refund requests should be made to the Business Office. Refunds will be made according to the following schedule:

Withdrawal during:	Percent of Refund:
First week of classes (June 14-18)	90%
Second week of classes (June 21-25)	50%
After second week of classes	NO REFUND

WITHDRAWING FROM A CLASS

Students may officially withdraw from a class on or before July 23 and receive an automatic "W" (withdrawal) grade. The student must complete a Student Schedule and Fee Change form in the Admissions and Records Office in Bldg. 6. Discontinuance of class attendance without submission of the Schedule Change form does NOT constitute an official withdrawal. OFFICIAL WITHDRAWAL from a course requires the approval of the student's advisor or counselor and the signature of his instructor.

HIGH SCHOOL DIPLOMA EQUIVALENCY PROGRAM (GED)

The College offers the GED course for adults who have not completed high school. The course serves as a preparation or review for the General Education Development (GED) exam to earn a high school diploma. You must be 19 years of age to take the GED test. Register for DSR 100 above to enroll in the GED preparation course.

COLLEGE CALENDAR Summer Session 1971

- June 10-11 — Registration
- June 14 — Classes Begin
- June 16 — Last Day to Add a Course
- June 18 — Last Day for Withdrawal from Classes without Official Record
- July 5 — Classes do not meet
- July 23 — Last Day for Course Withdrawal with Automatic "W" Grade
- August — Final Examinations on last Scheduled Class Meeting
- August 6 — End of Summer Session
- August 9 — Final Grades Due in Records Office by 12:00 Noon

College Of Lake County Gets Practical Nurse Scholarship

The College of Lake County has received a \$200 donation from the Lake County Federation of Women's Clubs. The gift is to be used by the college for scholarships for students in the Practical Nursing program.

"The need for Practical Nurses is great. A recent survey indicated that an additional 90 Practical Nurses will be needed in the next few years to fill vacancies in the hospitals and nursing homes of Lake County. Many of our students need some financial assistance in order to continue the program next year," stated Mrs. Gloria Grippando, coordinator of the LPN program at CLC.

Mrs. George Minarik, Waukegan, president of the Lake County Federation, along with Mrs. David Litwiler, treasurer, presented the gift to Dr. Richard Erzen, president of the college and stated, "We recognize that

there exists a shortage of Practical Nurses; that they are sorely needed in the Lake County area. We recognize, too, that not many dollars are available for Practical Nursing programs. Since the Federation has traditionally been interested in the nursing field, and we consider this a worthwhile cause, we are pleased to present this check and hope that in some way it opens a new door for deserving students."

The Lake County Federation of Women's Clubs consists of 17 active clubs, numbering 2,000 members from every part of the district and is part of Tenth District of the Illinois Federation of Women's Clubs.

Wins Letter

James Weiss of Antioch has been awarded a junior varsity letter at Milton College, Milton, Wis., it was reported today.

9 Students Win Writing Awards

Nine students have won cash awards totaling \$200 in the first annual Creative Writing Contest at the College of Lake County.

From the 30 entries in the fiction category, Waukegan student, Jeff Collignon's short story, "Notes of an Apathetic, Aging Boy," was selected for the \$45 first prize.

Lou Cataldo, also of Waukegan, won the \$45 first prize in poetry for "At the Beach." The poetry division drew 130 entries from students.

Jari Dykstra, Round Lake, walked off with two awards: second prize in poetry for "The Animal that Needed Light to Live," and third prize in fiction for "Existence, an Image and a Scream."

Winning second prize in fiction was Libertyville's David Pasvogel for "Twenty-five Miles from Greenville." Pasvogel also received an Honorable Mention for his poem, "The Good Old Days."

Third prize in poetry went to Marie Allen of Mundelein for

"Coming—One Week Only!" Honorable mentions in poetry were won by Heather Woods, North Chicago, for "Gorillas" and James Taylor, Mundelein, for "And What Else?"

The judges awarded fiction honorable mentions to Thomas Lewgard, Ingleside, for "Good Deed" and Steve Pirsky, Waukegan, for "Essence of Electrified Watermelon."

Kathy Lenzen of Mundelein took first prize in the research paper division for her essay, "Naturalism: Native Son and Studs Lonigan."

Freshman essay winners were: Elizabeth Siedlecki, first prize for "The Tourist from Behind the Iron Curtain"; Linda Gwaltney of Gages Lake, second prize for "Puppet-Child"; and James Neel, Mundelein, third prize for "Speak, Mr. Gardner."

Instructors from the CLC Division of Communication Arts who judged the Creative Writing Contest, were pleasantly surprised and pleased with the quality of the entries and with

the overwhelming response from the students to the creative writing contest," commented John Murphy, division chairman.

Mrs. Bucar Heads Doughnut Drive

Mrs. Phyllis A. Bucar of 542 Winsor Drive will serve as Doughnut Day chairman Friday, June 11. The Antioch Woman's Club has adopted Doughnut Day as an official club project, and will assist Mrs. Bucar in tagging activities. Members of the Antioch Association of Retired Persons also will assist in the project.

In the past 20 years, the average annual salary of teachers who graduated from Southern Illinois University at Carbondale has tripled.

Diplomatic husband to wife: "How do you expect me to remember your birthday when you never look any older?"

LEGAL CLAIM NOTICE

IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS

PROBATE DIVISION

ESTATE OF HAROLD N. BOCK, Deceased, FILE NO. 71P-261

NOTICE IS GIVEN OF the death of HAROLD N. BOCK of Antioch, Illinois. Letters of Office were issued on May 6, 1971, to Marlon F. Bock, Route 3, Box 227, Antioch, Illinois, Administrator, whose attorneys are Jacobs & Jacobs, 425 Lake Street, Antioch, Illinois.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 18 N. County Street, Waukegan, Illinois, 60085, within 7 months from the date of issuance of letters; any claim not so filed is barred as to the estate inventoried within that period. Also copies of claims must be mailed or delivered to the Administrator, and to the attorneys.

Memorial Day-May 30

★ HONORING THOSE HEROIC MEN WHO DIED SO THAT AMERICA MIGHT LIVE ★

On Memorial Day take a minute to think about all of the brave men who died fighting for our country. Give them a minute this one day. They gave their lives.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up your quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die,
We shall not sleep, though poppies grow
In Flanders fields.

"In Flanders Field" John McCrae
